

## **Marsh Virtual Office & Associates – Great help to my business!**

June 15, 2010

As a sole proprietor, I found myself wearing many hats. Spreading myself too thin resulted in overly long days, missed opportunities and much stress.

Thankfully I found Marsh Virtual Office & Associates. They have been a godsend. Now my marketing is running behind the scenes in their capable hands. I can rely on them to consistently look after repetitive tasks that sometimes used to “fall between the cracks”. As a result my business runs much more smoothly.

Guy Marsh has demonstrated a “can do” attitude. It is a great relief to me to know that while I am working on what I do best, he is looking after other tasks more efficiently than I could myself.

My business is now much more organized and more enjoyable. After having used the services of Marsh Virtual Office & Associates for several months now, I can only say that I wish I had met Guy a long time ago!
